BOARD FOR CORRECTION OF NAVAL RECORDS

2 NAVY ANNEX

WASHINGTON DC 20370-5100

Docket No: 7942-99

April 19, 2000

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on April 11, 2000. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion furnished by CNO memorandum 5420 N130D1/0U0215 of 23 March 2000, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the advisory opinion. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director

MEMORANDUM FOR EXECUTIVE DIRECTOR, BOARD FOR CORRECTION OF
NAVAL RECORDS

Subj: COMMENT AND RECOMMENDATION IN THE CASE OF PETTY OFFICER
[REDACTED]

Encl: (1) BCNR File # 07942-99 with Microfiche Service Record

1. The following provides comment and recommendation on Petty Officer [REDACTED] petition.
2. N130 recommends deny Petty Officer [REDACTED] petition for an Enlistment Bonus (EB).
3. Petty Officer [REDACTED], an Other Service Veteran (OSVET), enlisted in the Navy on 26 February 1999 under the PRISE III Program. In his petition, Seaman [REDACTED] claims he is entitled to an EB for assignment to the AEF/AECF Class "A" school and requests favorable action that will allow payment.
4. EB is not an entitlement, but a recruiting tool used at the discretion of recruiters and classifiers to entice individuals to enlist in critical skills. The EB program is budgeted on quotas provided to the Commander, Navy Recruiting Command and the Enlisted Community Manager, not by the number of A-school accession seats. Every recruit is not offered nor receives an EB. Petty Officer [REDACTED] does not have an EB contract in his service record and therefore is not entitled to an EB. Petty Officer [REDACTED] enlisted under the PRISE III Program, which is not an EB eligible program as listed in BUPERS GENADMIN EB messages. Recruits enlisting in non-EB eligible programs are not required to be counseled regarding the EB option.
5. BCNR case file with microfiche service record is returned herewith as enclosure (1).
